U.S. Embassy and Berlitz Center Launch New English Language Winter Camp

The U.S. Embassy in Algiers and the Berlitz Center are pleased to announce their newest English Language project called the "El Amel Winter Camp." The Winter Camp will run for 10 days during the school break (from 23rd December to 03rd January 2013) and will be held every morning at the Berlitz Center in Algiers. During the Camp, the students will not only practice their English language skills, but will learn leadership skills, practice their writing, and prepare for application submission to American universities, including TOEFL and SAT preparation.

The Camp will focus on students in high school aged 14-18, with an appropriate level of English. The Camp is free of charge and only requires that you complete an online application and an English aptitude test. The curriculum for the course will be taught by expert Berlitz English Language instructors, visiting guest speakers, and the Educational Advisor at the U.S. Embassy in Algiers.
